

DCBA
Fall and Winter 10,000 Shot Club
March - July 2022

The 10,000 Shot Club is a chance for you to improve your shooting skills over the season. This is a program to challenge yourself and your teammates, and improve your shooting at the same time. Use the form attached to track your daily shot attempts. This must be completed on your own time, as it takes time and commitment to become the best player you can be! Signatures are required by parents or teammates as proof of your shooting.

3rd-4th: must attempt 5,000 shots.

5th-8th: must attempt 10,000 shots.

9th-12th: must make 10,000 shots.

Members of our 10,000 shot club will receive a t-shirt for their hard work.
